 Office and Depot, 62 Broadway, New York.
 Dr. W. C. VAN HANDEL, who made the report upon "Diathectics" to the National Sanitary and Quarantine Convention of 1859, says of this article:
 "It is the best deodorant of which I have any knowledge. 1st. It is easily kept and managed. 2d. It is comparatively cheap. 3d. It is a mixture of the best simple deodorizers known to science, and the experiments made with it prove the proportional combination to be a good one to effect the purpose intended."

CHOLERA Disarmed!!!
 The Chief Causes of Pestilence Destroyed.

DR. E. COURTNEY'S DISINFECTING FLUIDS.
 Secured by Letters Patent in the United States and France. Prepared solely by the New York Disinfecting Company, at their Laboratory, Nos. 293, 300 and 302 Henry-street, N. Y. Office, 42 Cedar-street.

This Company, organized on a permanent basis, with Dr. Courtney, the celebrated French Chemist, in charge of its Laboratory, is prepared to furnish the Disinfecting Fluids for sick rooms, nurseries, urinals, water closets, privies, cesspools, sewers, gutters, ships, railroads, hospitals, prisons, and public institutions of all kinds, slaughter-houses, offal and fat-boiling establishments; all kinds of manures (immensely increasing the value of the latter to every farmer), and wherever poisonous and offensive gases exist. These agents are deodorizers, antiseptics, antiputrescents, and disinfectants in the scientific meaning of the words. They remove noxious gases and odors by chemical principles—leaving in their places healthful air; they are perspirants, and not merely absorbents of poisonous gases—not injurious to utensils in which they are used. The attention of medical and scientific men is directed to these disinfecting fluids, which are in favor of this great discovery, which, with hundreds of others, can be seen at the Company's office.

DELAVER HOUSE, ALBANY, March 30, 1866.
 To the President of the New York Disinfecting Company:
 Dear Sir: It is all it is represented to be. We have made many trials of disinfectants, but now consider that we have found an article which surpasses all others as a remedy against all bad odors. T. ROSS & Co.
 NEW YORK, April 9, 1866.

To the President of the New York Disinfecting Company:
 Dear Sir: We pronounce it without exception to be the best we have ever known. It has effect upon every matter is complete and instantaneous.
 O. A. STETSON, Astor House.

AS N. B.—These Disinfectants are used by the scavengers, under the direction of the Sanitary Police of the Metropolitan Health Department, New York.

 Another says: "I prescribe Perry's Worm Tea in all cases where anthelmintics (worm medicines) is indicated, and always with the happiest results."

CLOSING OUT SALE OF THE LONDON WATCH CO.
 OWING TO THE FAILURE AND SUDDEN CLOSING OF THE WORKS AND BUSINESS OF THE LONDON WATCH COMPANY,
 A large number of fine WATCHES, manufactured especially for the United States, being heavy, first-class time-keepers, intended to stand hard usage and sudden changes of temperature, are left in our hands for immediate sale. As agents of the Company, we are obliged to dispose of this stock for cash in the shortest possible time. We have, therefore, decided on the plan annexed, as the one that will be productive of the desired result. This plan gives every one an opportunity of obtaining first-class time-keepers at a price that all can command. As every certificate represents a Watch, there are no blanks, and every one who invests in this sale must get a Watch at half the retail price at least, and if at all fortunate, one to wear with pride through life. Remittances may be made at our risk in registered letters or by express, or postoffice orders and drafts payable to our order, and we guarantee a safe return. This INSURES safe delivery and sure return to every patron.
 We warrant every Watch as represented, and satisfaction is guaranteed in every instance. Knowing the worth of the stock, we can give a warrant to every purchaser. The price has been placed at the very low figure in order to insure immediate sale, and all who desire to improve the opportunity should make early application.

CONSTITUTION WATER.
 THE ASTONISHING SUCCESS WHICH HAS ATTENDED this invaluable medicine proves it the most perfect remedy ever discovered. No language can convey an adequate idea of the immediate and almost miraculous change which it occasions to the debilitated and shattered system. In fact, it stands unrivaled as a remedy for the perfect cure of Diabetes, Impotency, Loss of Muscular Energy, Physical Prostration, Indigestion, Non-retention or Incontinency of Urine, Irritation, Inflammation or Ulceration of the Bladder and Kidneys, Diseases of the Prostate Gland, Stone in the Bladder, albumen, Gravel, or Brickdust Deposit, and all Diseases or Affections of the Bladder and Kidneys, and Dropsical Affections existing in Men, Women, or Children.
 FOR THOSE DISEASES PECULIAR TO FEMALES CONSTITUTION WATER IS A SOVEREIGN REMEDY.
 These irregularities are the cause of frequently recurring disease, and through neglect the seeds of more grave and dangerous maladies are the result; and as month after month passes without an effort being made to assist nature, the difficulty becomes chronic, the patient gradually loses her appetite, the bowels are constipated, night sweats come on, and consumption finally ends her career.
